Clarifications/Reply

RFP No. 03/GC/MPMRCL/2017 Dated 20/03/2017

After due deliberations the reply on clarifications sought towards RFQ cum RFP regarding selection of General consultant for M.P. Metro Rail Projects are furnished here under :-

S. N	Section/Clause/ Page No.	Particulars	Clarifications Sought	MPMRCL's Reply
1.	Section 1: Letter of Invitation :- Sr No.8. <u>Page No.8</u>	Time and date of the submission deadline for proposal (online): 23rd May 2017	<p>We are in the process of preparing the proposal, as we are in a consortium of multinational firms from different region of the Asian, South East Asian and European countries. In order to get the bank guarantee all the consortium banks have to give their counter bank guarantees to the lead member bank according to their respective percentage share, after that the lead member bank verifies the guarantees given by the other consortium member banks which takes min 4 weeks' time for the complete process of verification and after then only they issues the final bank guarantee in the name of the consortium.</p> <p>Apart from this we need to get the apostilled/ notarisation of the legal documents & the client certificates which is also time taking procedure and which makes us impossible to meet the deadline and to submit a valid Proposal.</p> <p><i>Hence to submit a valid Proposal we would like to request your kind office to give an extension of at least 8 (Eight) week's time.</i></p>	Addendum is being issued separately
2.	Section-4 Tech Proposal Standard Forms, <u>Page No 91</u>	Tech 6 CV format Experience of <u>working in Developing Country</u> in relevant eligible assignment	<p><i>Since the experience of working in developing countries has been removed under the addendum issued by the client, it is kindly requested to please remove the Sl. No. 7 from the CV format or else provide us the revised CV Format. i.e Tech-6.</i></p>	Addendum is being issued separately

3.	General	Key Experts CVs proposed for the evaluation	<p>Considering the large no. of technical staff deployment for this project, and there is already the shortage of the resources in the market as 17 Metro Projects are in construction phase in India only.</p> <p>In order to deploy suitably qualified and well experienced professionals on the job we have to pick the CVs from the outsource who will be taken on the role of the tenderer after the ward of the contract.</p> <p><i>We request that in case the same CV has been proposed by the two bidders, the CV of the bidder who has got the initial signed consent letter from the candidate should be considered for the evaluation provided the original signed consent letter of the candidate is attached along with his CV.</i></p> <p>Pl confirm.</p>	<p>CV of the Expert by the bidder should be submitted with declaration from expert that he has not given his consent to any other bidder for this RFQ cum RFP. If an expert is found given consent to more than one bidder then he shall be disqualified..</p>
