

Madhya Pradesh State Electronics Development Corporation Limited

(A CERT-In empaneled Org. under Dept. of Science & Technology, Govt. of MP)

CERTIFICATE FOR WEBSITE SECURITY AUDIT

Department

Department of Urban Administration & Development, Govt. of M.P.

Testing URL

http://164.100.196.21/mpmetro

Production URL

mpmetrorail.com

Project/Website Name

MP Metro Rail Corporation Ltd. Website

Software Build Number

178643

Software Build Date

16th December 2024

Audit Performed by

MPSEDC, Security Testing Team

Testing Start Date

8th September 2024

Testing End Date

27th December 2024

Observation

The above website/application has undergone the Security Audit and has been certified to be safe from vulnerabilities as per OWASP Top 10-2021 compliance. A temporary testing URL was provided to execute the security audit.

Conclusion

The website/application was tested for OWASP Top 10-2021 vulnerabilities. The site is free from OWASP Top 10-2021 vulnerabilities and safe for web hosting.

Recommendations

1. TLS deployment is recommended so that confidentiality, integrity, and non-repudiation of the transactions for the application are ensured.
2. Web Server and OS Level hardening must be in place for the production server.

Note: The certificate is valid till no additional changes in the dynamic content or source code are carried out or one year from the date of issue whichever is earlier. Additionally, the auditee is responsible for deploying the audited solution to the production environment.

Disclaimer: The audit was NOT conducted on the Production Environment.
